DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1, 4, 5 and 7-12 rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The limitation “a vertical table umbrella” (claim 1, line 11) and “the vertical umbrella” (claim 1, lines 13-14) while clear in the dependent claim have been placed in the independent claim in a manner by using the indefinite article “a” that renders the independent claim unclear because “a closed umbrella” is already claimed in combination in line 1. Clearly as there can be but one umbrella used with the device at a time and not two umbrellas, it is suggested that applicant amend “a closed umbrella” (line 1) to --a closed table umbrella-- and change “a” (line 11) to --the-- so that the description with respect to the “handle comprises a length which enables a standing user to raise the ring above an uppermost point of” the “vertical table umbrella, wherein the ring is adapted to slide downward from the uppermost point of the umbrella, and wherein the ring comes to rest at a spaced distance below the uppermost point of the vertical umbrella” (claim 1, lines 9-14) is clear in context of the “uppermost point of the vertical umbrella”. The remaining claims are indefinite because they depend from an indefinite claim.

Allowable Subject Matter

Claims 13, 15, 17 and 18 are allowed.

Art Unit: 3677

Claims 1, 4, 5 and 7-12 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

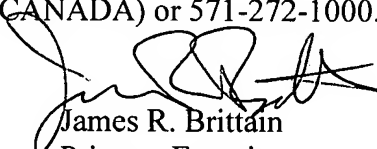

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
